

Education Research Guide

To find Books & Non-print:

Use the ACM Library Online Catalog by going to the Library [Welcome page](#) . Enter a keyword or artist's name in the search box. This online catalog lists all books, ebooks, DVDs, and other non-print items located in libraries at all 3 campuses of ACM. For instructions on how to use the catalog, click on the Help tab at the upper right.

Want to browse the bookshelves? Books on Education topics have call numbers beginning with the Letter L.

To find Articles in Scholarly Journals, Magazines, Newspapers (Databases):

From the Library [Welcome page](#), click on the Online Databases link on the left or top. Note: if you are searching from off-campus you will need to enter your ACM Login first. The following databases cover Education topics:

- **Education Journals (ProQuest)**
- **ERIC (EBSCO)**
- **Teacher Reference Center (EBSCO)**
For Educational Psychology topics, also try:
- **Psychology Journals (ProQuest)**
For controversial Education social issue topics, try:
- **Opposing Viewpoints**
- **Issues & Controversies**

Reference Sources (Encyclopedias, Dictionaries, etc.):

Online:

Click on the Online databases link, then choose:

Gale Virtual Reference Library, (click on Education category) See such resources as:

- The Greenwood Dictionary of Education, 2011
- Encyclopedia of Education

- World Encyclopedia of Education
- Psychology of Classroom Learning; an encyclopedia

Encyclopedia Britannica

Psychology and Mental Health

Search by keyword(s) in each of these online resources.

Print:

- Encyclopedia of education **Ref. LB15. E47 2003 v. 1+**
- The Education week guide to K-12 terminology /
Ref. LB15 .E335 2009
- Encyclopedia of American education /
Ref. LB17 .U54 2007 v.1

Web Sites: Use search boxes if available to search for your specific topic.
